Model Number	Watt	Luminous(lm)	LED Qty	Cover	Base	Dimension(mm) (Diameter x L)	Ctn Size(cm) (L x W x H)	N.W./PCS	Qty/Ctn
TC-Tube-2835-10W	10W	900-1000	48PCS SMD2835	Clear/Frosted	G13	Φ26 x 600	68 x 22 x 22	0.22kg	25PCS
TC-Tube-2835-15W	15W	1200-1300	72PCS SMD2835	Clear/Frosted	G13	Φ26 x 900	98 x 22 x 22	0.32kg	25PCS
TC-Tube-2835-20W	20W	1800-2000	96PCS SMD2835	Clear/Frosted	G13	Φ26 x 1200	128 x 22 x 22	0.42kg	25PCS
TC-Tube-2835-24W	25W	2250-2500	120PCS SMD2835	Clear/Frosted	G13	Φ26 x 1500	158 x 22 x 22	0.52kg	25PCS

Advantage:

- ◇ Compatible with Starter and Ballast with no extra power consumed
- ◇ Directly replace fluorescent with traditional T8 LED tube
- ◇ Aluminous crust is good for heat dissipation, with PC cover making light more brighter .
- ◇ Isolated driver, constant current, rubycon capacitance making lamp work stably, no flicker
- ◇ The base can be rotated 90 degree, installation is very easy
- ◇ No modifications to the existing light fixture is required, just remove old tube and starter, replace with new T8 LED tube and circuit link
- ◇ NOT COMPATIBLE WITH ELECTRONIC BALLAST AND STARTER
- ◇ Lifespan can up to 50,000 hrs
